Training Within Industry (TWI)

A fast-track, proven method for training industry trainers. Originally implemented in the 1940's to ramp-up wartime production.

Learn how to leverage your training dollars by:

- *Standardizing methods*
- *Shortening training time*
- *Increasing product quality*
- *Reducing employee errors*
- *Increasing employee productivity*
- *Improving employee retention rates*

Dinner and Speaker \$25 / Speaker Only \$5
