How to Create a New Account

Step 1:

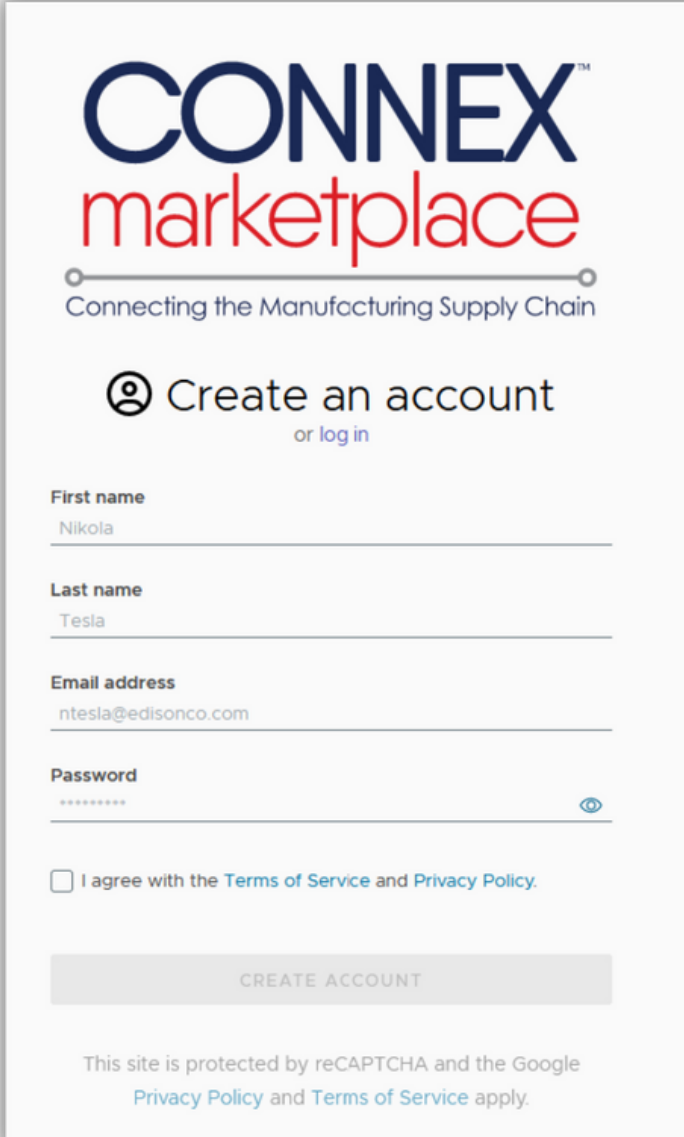

Go to CONNEX Marketplace <https://app.connexmarketplace.com/login> and click “Create an Account.”

A screenshot of the CONNEX marketplace login page. The page features the CONNEX marketplace logo at the top, with the tagline "Connecting the Manufacturing Supply Chain". Below the logo are two input fields: "Email" and "Password". The "Password" field has a small eye icon to its right. Below the input fields is a large grey button labeled "Log in". Below the "Log in" button, the text "Create an account" is circled in red, and "Forgot password" is visible below it.

Step 2:

Enter your first name, last name, email address, create a strong password and check the box to accept the terms and conditions. After that, click the “Create Account” button.

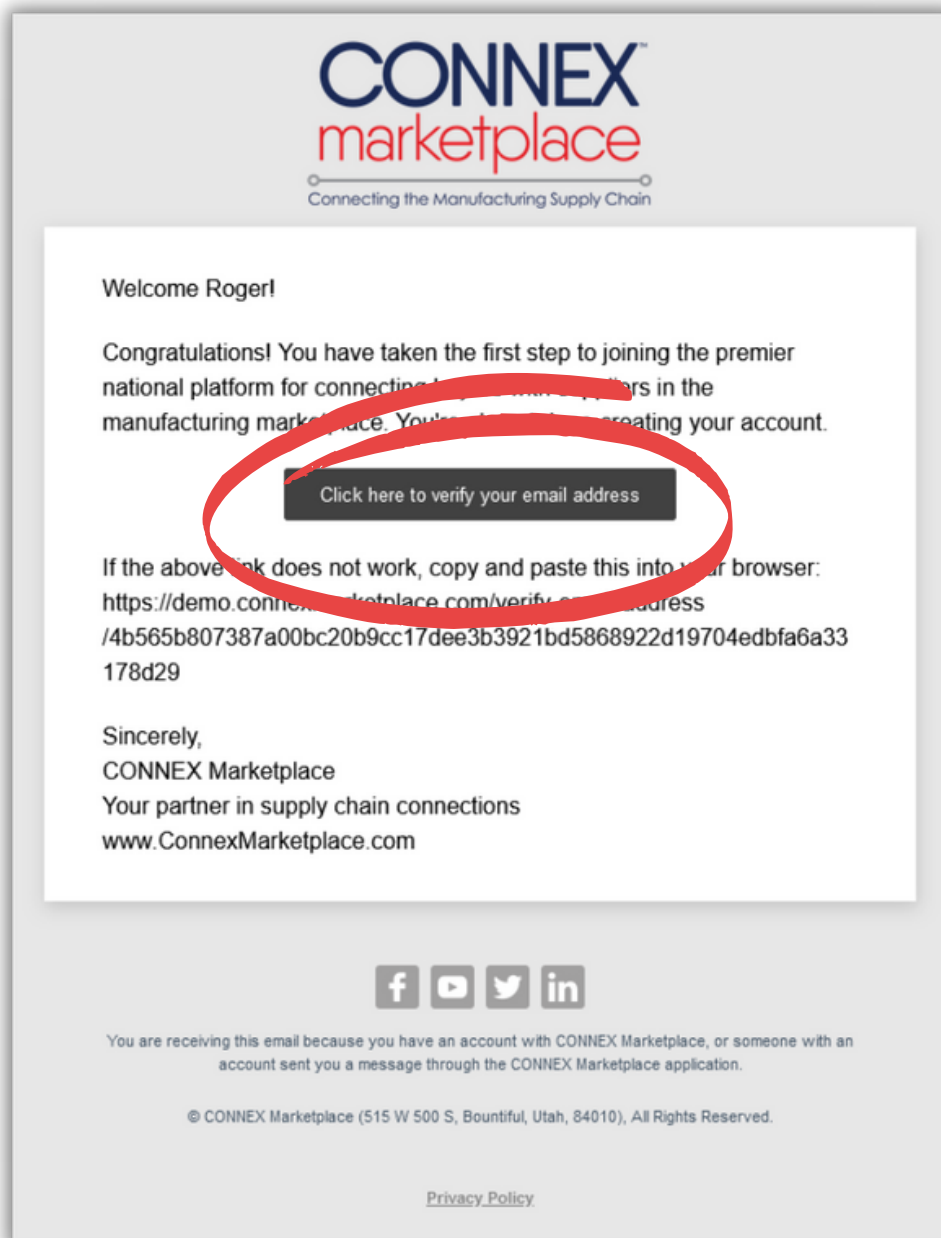

After clicking the button, you will receive an email from noreply@CONNEXMarketplace.com with a link to verify your email address. If you don't receive it within a few minutes, please check your spam or junk mail folder. The email is shown in step 3.

The screenshot shows the account creation page for CONNEX marketplace. At the top, the logo features 'CONNEX' in blue and 'marketplace' in red. Below the logo is the tagline 'Connecting the Manufacturing Supply Chain'. The main heading is 'Create an account' with a user icon and a link 'or log in'. The form includes four input fields: 'First name' (filled with 'Nikola'), 'Last name' (filled with 'Tesla'), 'Email address' (filled with 'ntesla@edisonco.com'), and 'Password' (filled with seven asterisks and a toggle icon). A checkbox for 'I agree with the Terms of Service and Privacy Policy.' is present but unchecked. A 'CREATE ACCOUNT' button is at the bottom, which is currently disabled. A footer note states: 'This site is protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply.'

Step 3:

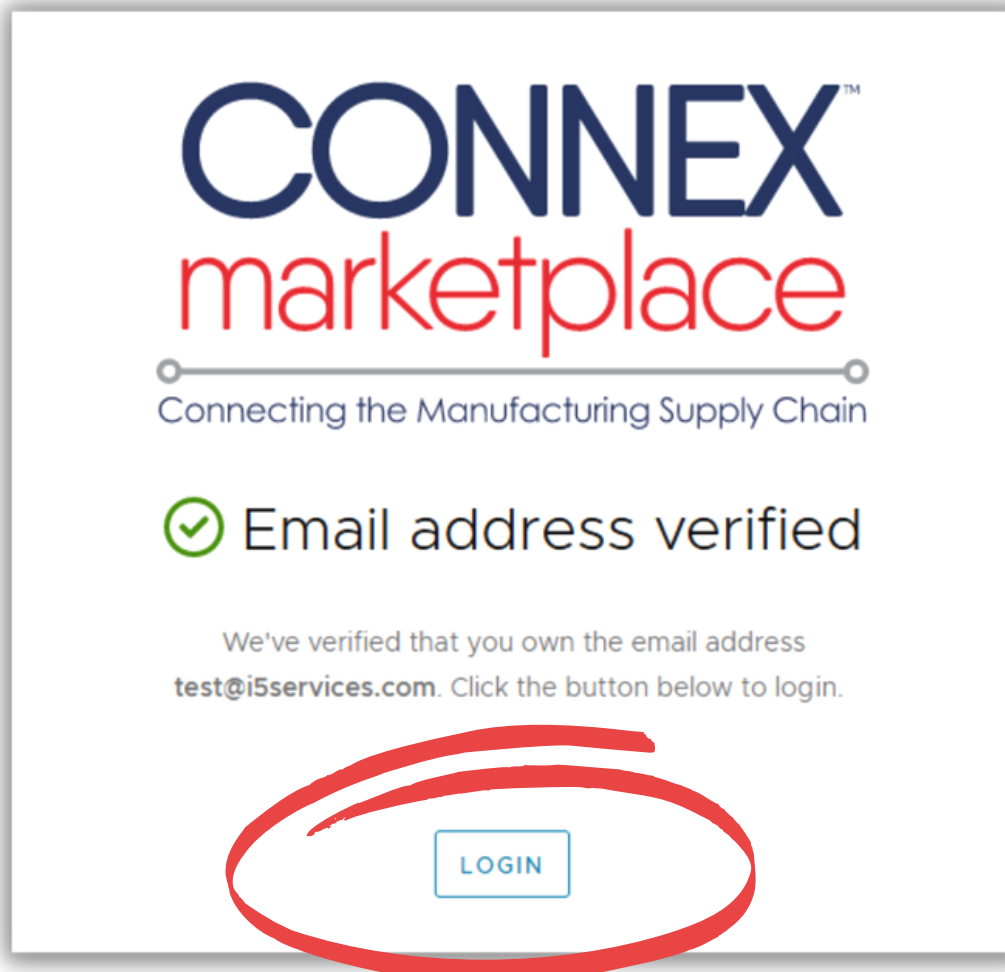

Go to your email and find the verification email from NoReply@ConnexMarketplace.com. Open the email and click the gray box to verify your email address.

Step 4:

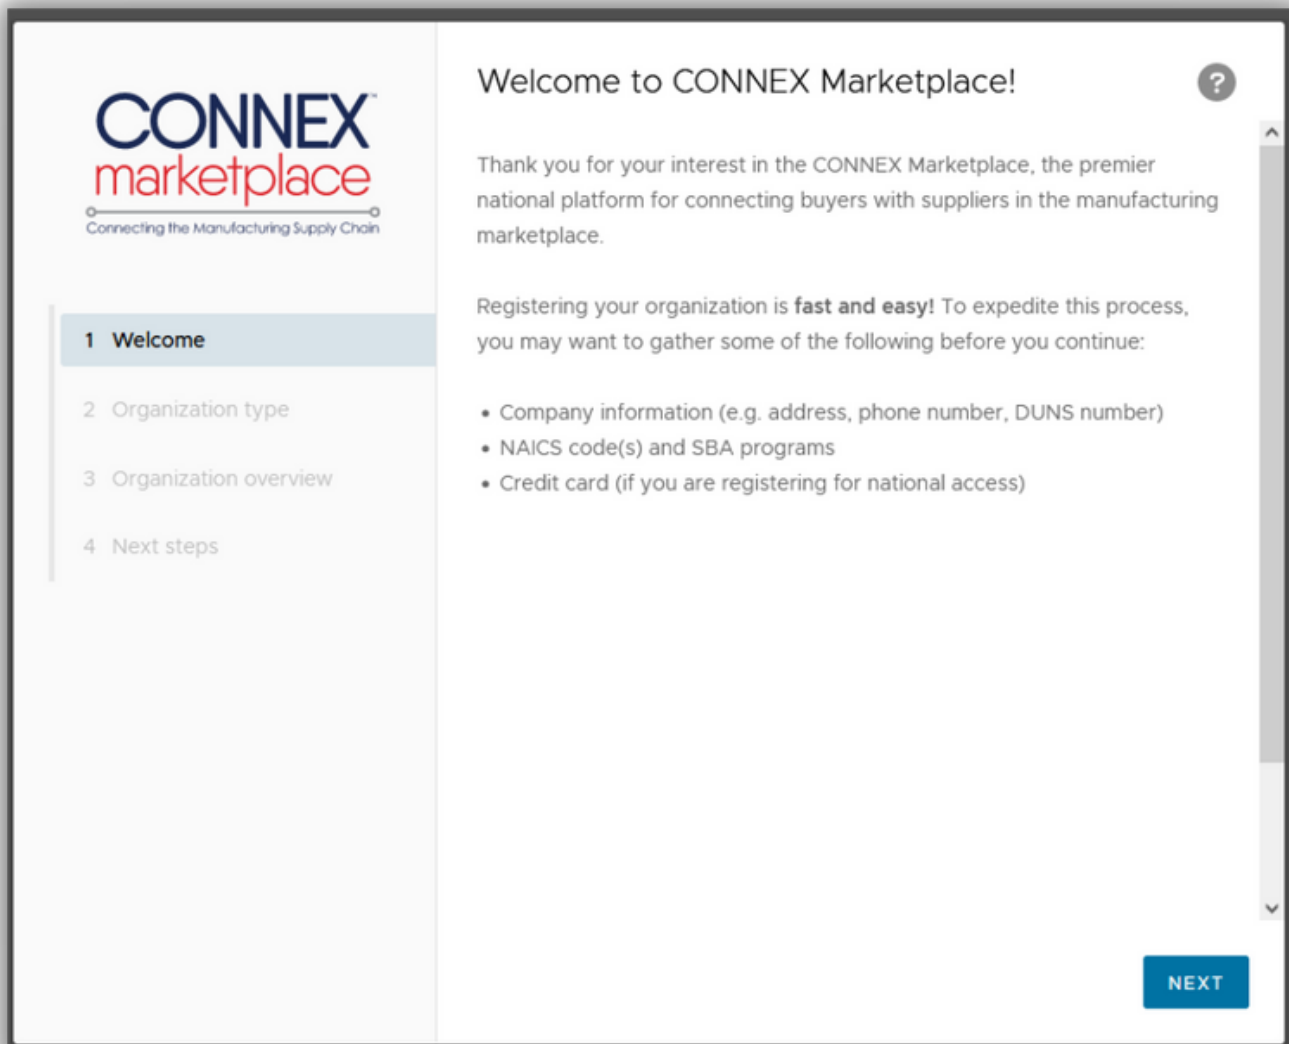

Once you confirm your email, you will be taken to a "Success Screen" that verifies that your email is valid.

Click the "Login" button below the verification text to take you back to the login page.

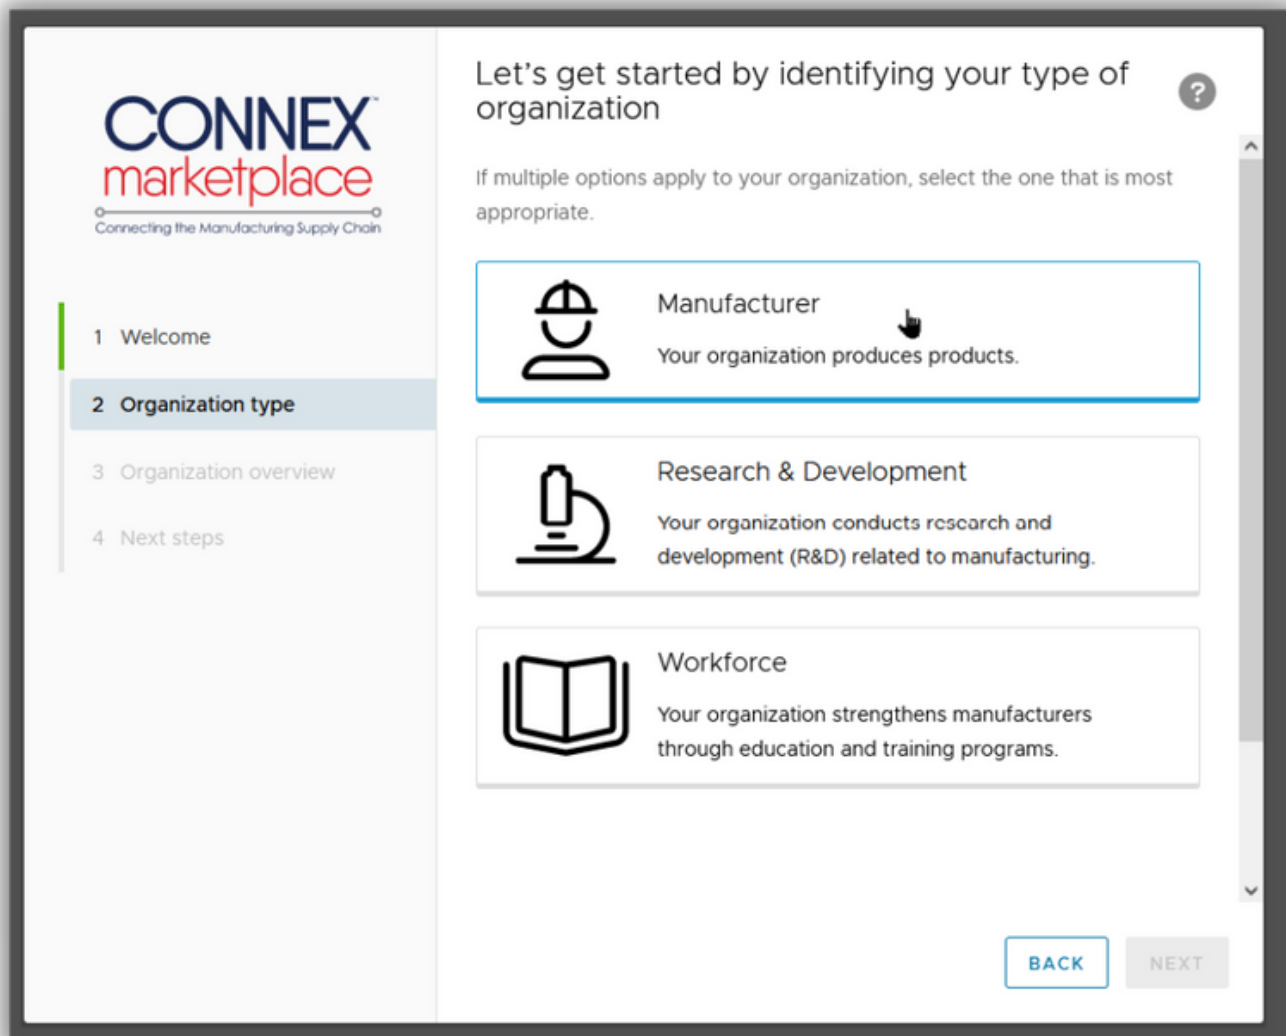

Step 5:

On the login screen, enter your credentials that you used in the beginning to log in. After that, you will be taken to the Welcome Screen as shown below. Read through the welcome message and click "Next".

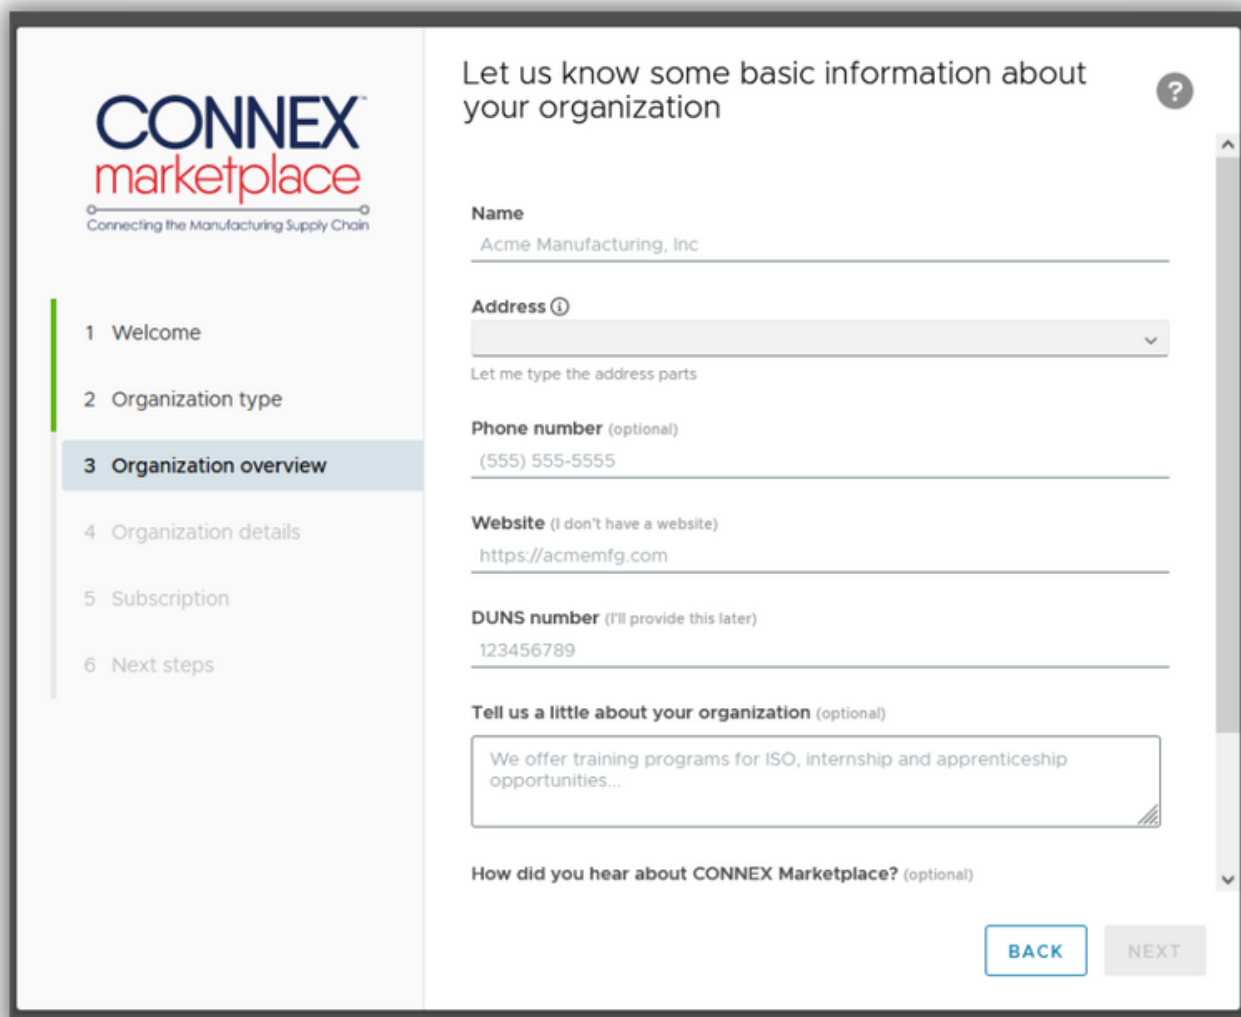

Step 6: Select Organization Type

On this page, select your organization type. For most of you, this should be “Manufacturer”. However, if you feel that you are a researcher or workforce organization, you can select that here. If you are unsure, select “Manufacturer” for now and then you can change it to a different entity later if needed.

Step 7: Enter Your Basic Organization Information

Enter some basic information about your company such as your name, website etc. As you enter this information, the system will search through 140K records to identify potential matches. If it finds a match, you will want to claim that profile, rather than create a new one. However, pay special attention to the potential match as it may be a company with a similar name in another state etc. You'll want to make sure you are selecting the right match.

The screenshot shows a web form for entering organization information. On the left is a navigation menu with six steps: 1 Welcome, 2 Organization type, 3 Organization overview (highlighted), 4 Organization details, 5 Subscription, and 6 Next steps. The main content area is titled "Let us know some basic information about your organization" and contains the following fields:

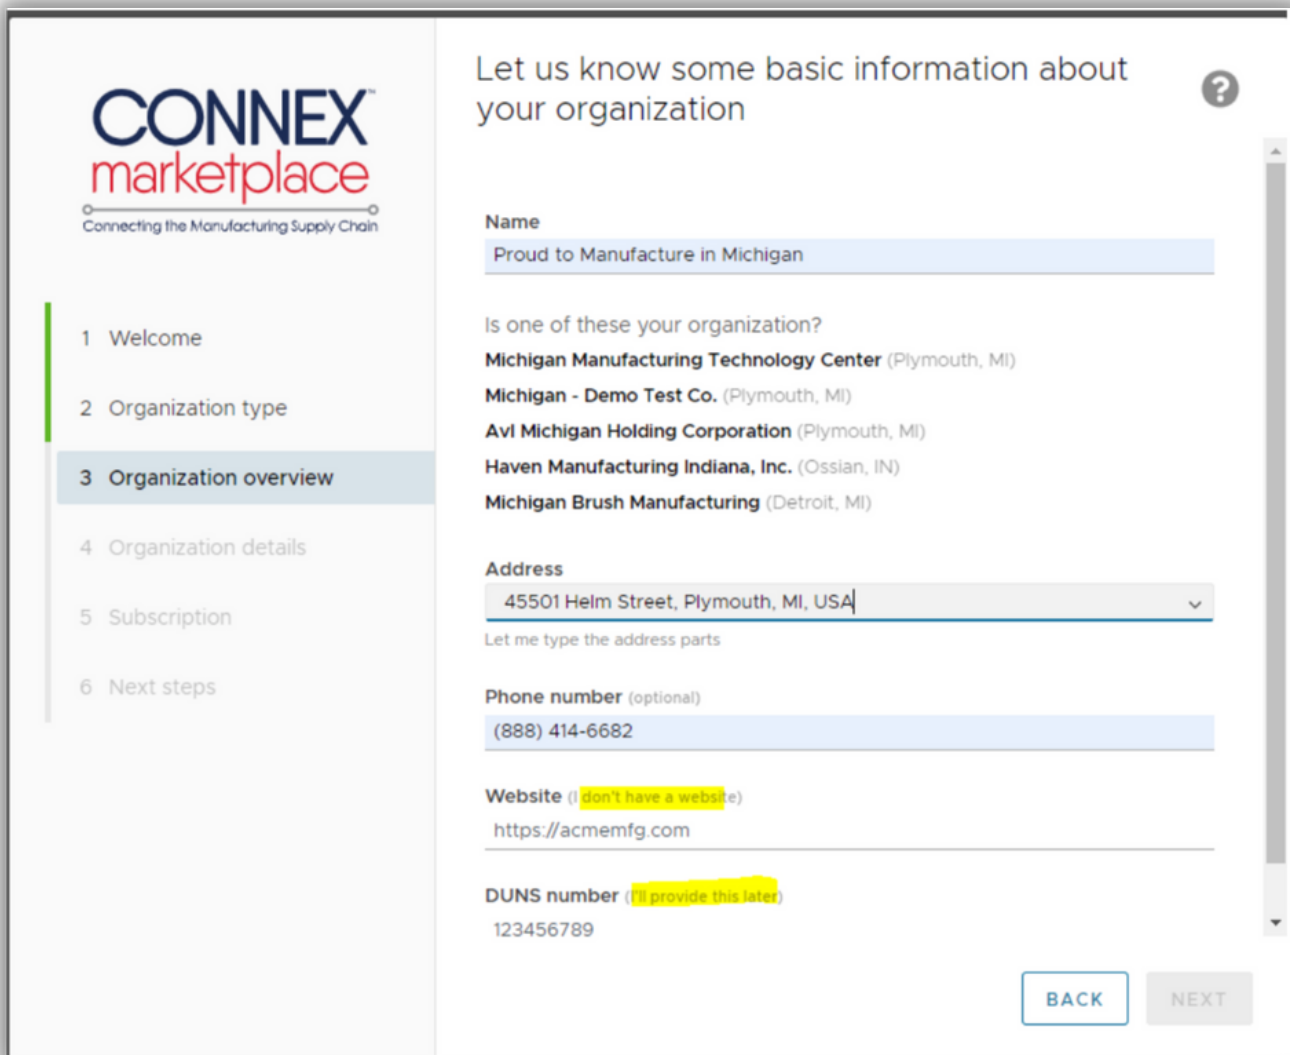

- Name:** Acme Manufacturing, Inc
- Address:** A dropdown menu with the text "Let me type the address parts" below it.

- Tell us a little about your organization (optional):** A text area containing "We offer training programs for ISO, internship and apprenticeship opportunities..."
- How did you hear about CONNEX Marketplace? (optional):** An empty text field.

At the bottom right of the form are two buttons: "BACK" and "NEXT".

Step 8: Claim Your Existing Profile or Create a New One

If you find an existing match in the system for your organization, click on it to claim that profile. It will then automatically populate the remaining information for you.

If you don't see a match for your organization, ignore the suggested companies and continue entering your information, such as phone number, website and DUNS number if known. If you don't know your DUNS number, you can select "I'll provide this later" to move through the Wizard.
