

**CONNEX Connecticut** is an online platform that connects all U.S. manufacturers and suppliers with a single, accurate, and searchable supply-chain solution.

It's not just another platform: it's a revolutionary new way for you to find, be found, connect, and contract directly with each other. CONNEX Connecticut is key to your company's future success!

Create or log into your free account today to connect with manufacturers and suppliers across CT and the U.S. If you have questions about CONNEX Connecticut or want additional information, please email [connex@connstep.org](mailto:connex@connstep.org).

Thank you!
